## Register To Vote 2014

On Tuesday, November 4th, Americans will vote in the General Election to fill several national, state and local offices.

It is important that Americans elect qualified individuals who will look out for the well-being of America, its employment base and educational system. The only way positive things happen in America is when every registered voter exercises his or her privilege to elect worthy candidates to represent the best-interests of the American people.

If you are 18 years of age or older and a citizen of the United States, contact the office of your local elected officials and request a mail-in voter registration form. Registration forms are also available at post offices, libraries and on online at: [RegisterToVote.org](http://RegisterToVote.org). Complete the form, mail it in and you will receive your registration card in the mail. All 50 states offer mail in voter registration forms.

If you live in Pennsylvania, you can also call the Polish American Congress office in Philadelphia at (215) 739-3408, and a mail-in registration form will be sent to you. This form is good for all counties throughout the State of Pennsylvania.

The last day to register to vote for the November 2014 election in Pennsylvania is October 6th. In other states it is generally 30 days before the election.

**All American citizens are urged to vote on Election Day.**
