**Care At Home (PCA)**

There are many services available to seniors that can be brought to their home such as personal care, counseling, meals, and home care. One simple call to the Philadelphia Corporation for Aging will allow a social worker to meet with you to help choose services and providers. Most of these services cost nothing or very little. They can be for a short period or long period of time and can be flexible. Call PCA, Monday-Friday, 8:30 A.M. to 5:00 P.M., at (215) 765-9040 or PASS at (215) 923-1900.

**Get Ready for Winter**

PASS would like to send out a friendly reminder to think ahead for the things you may need this winter. Have you considered the following:

1. How is my heater doing? Was it acting up at the end of last winter? Did I renew my maintenance agreements?
2. Did I budget for the upcoming heating bills? Should I consider going on a budget or payment plan with my fuel vendor?
3. Do I have any problems closing my windows or doors? Are any windows broken? Are there large gaps around doors or windows that could let the heat out of the house? Should I insulate my attic?
4. Did I shut off my outside water faucet so it doesn't freeze?
5. Do I have a good snow shovel and some salt or other ice melting supplies? Did I talk with someone who could help me with snow removal this winter if I am not able to do it myself?
6. Will I need a new winter jacket, sweater, gloves, boots or hat?
7. How is my home emergency kit? Do I have enough replacement batteries, fresh bottled water and cans of food?

Thinking about these things now and making the phone calls or buying the things you need will be a big help before the mercury really dips!
