Senator Vincent Fumo Salutes Polish American Heritage Month

Dear Members of the Polish American Community:

I am pleased to extend my best wishes to Americans of Polish heritage as you celebrate the 400th Anniversary of the First Polish Settlers' arrival in America.

From the very beginning, Polish Americans have played an important role in the progress and promise of America. You have helped to win and protect our freedom as a nation, contributed to our industrial might and intellectual growth, and lent a cultural vibrancy that has enriched the lives of all Americans.

While enjoying the opportunities and benefits of life in the United States, we should never fail to acknowledge the legacy of those before us who immigrated to our country. We should honor the customs and traditions of our ancestors, in part for their own sake, and in part because it reminds us that America's strength lies in the vast and distinctive contributions of so many ethnic groups.

It gives me great pleasure, therefore, in my official capacity as a State Senator from the First District in Philadelphia, to join you in commemorating Polish American Heritage Month in 2008.

State Senator Vincent J. Fumo
First District, Pennsylvania

Congratulations and best wishes to my Polish American constituents as you celebrate the 400th Anniversary of the arrival of the First Polish Settlers in America at Jamestown, Virginia during October, Polish American Heritage Month. Sto Lat!

Senator Constance H. Williams
17th District, Pennsylvania

I have been proud to participate at Polish American Community events over the years. I congratulate you for your efforts to maintain the heritage of your ancestors and for being great citizens of America. Best wishes as you celebrate the 400th Anniversary of the First Poles in America.

Senator Charles McIlhinney
10th District, Pennsylvania
