Polish American Social Services "PASS" Special Appeal

From the Board, Staff and Constituents of PASS,

The prolonged recession has been difficult for many people. This is especially true for those who are trying to address the situation on their own as they have done their entire lives.

Polish American Social Services (also known as United Social Services and PASS) has been a leading force in helping people in need, especially those who are experiencing age-related difficulties, or are living on a fixed income with no possibility of extra income to keep up with the rising cost of living, or those facing long-term unemployment. Many face language and cultural barriers and have no place else to turn to.

For many years, **PASS** and many similar organizations helped constituents remain financially self-sufficient with various public services grants. Unfortunately, the prolonged recession has caused many of these grants to be reduced or cut completely.

In addition to serving the **Polish/Slavic communities in Southeastern Pennsylvania**, the agency assists constituents from six additional ethnic groups through its **United Social Services Outreach Program**. As a one-stop point of contact, **PASS** helps individuals remain self-sufficient by helping them access many forms of assistance that remain available.

We appeal to supporters to join in our mission of building self-sufficiency for thousands of constituents each year. **PASS** avoids directing people to government welfare programs that promote chronic dependence by helping constituents address a temporary difficulty with income enhancement programs like energy, utility and property tax rebates or discounts, and the tax freeze for the low-income elderly. In this way, constituents retain personal dignity, self-confidence and psychological well-being. Kindly help us continue our mission.
